BARATHEA

HAINSWORTH SIGNATURE
FABRICS

INTERIORS

BARATHEA

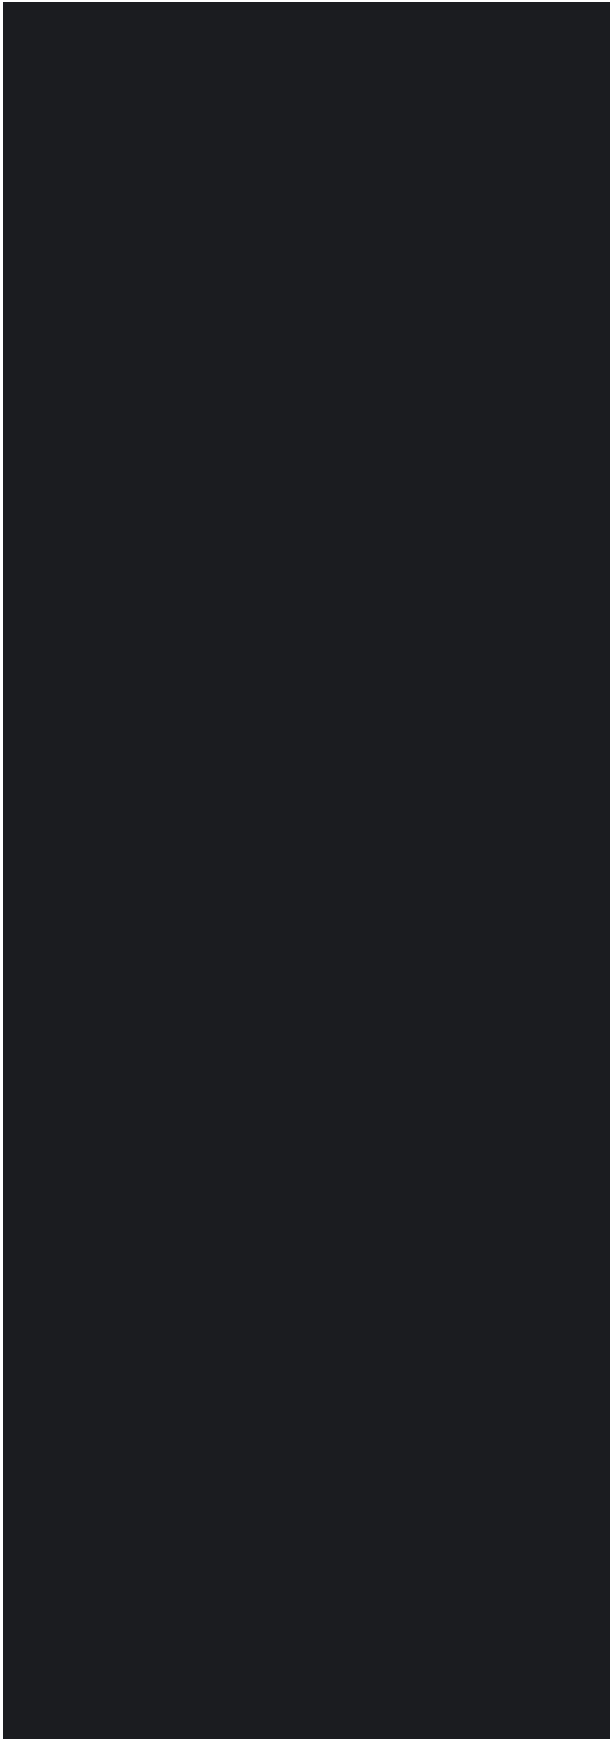

A pure Merino worsted fabric; Barathea creates a subtle texture reminiscent of both natural materials and formal dress wear. The fabric has natural recovery abilities and quickly returns back to its natural shape, making it ideal for high end drapes as well as light residential upholstery.

Made from 100% Merino Wool and available in four colours, Barathea is a distinctive and versatile collection for luxurious interiors.
