EARTHY HUES  
MELTON

HAINSWORTH SIGNATURE  
FABRICS

# APPAREL

# EARTHY HUES MELTON

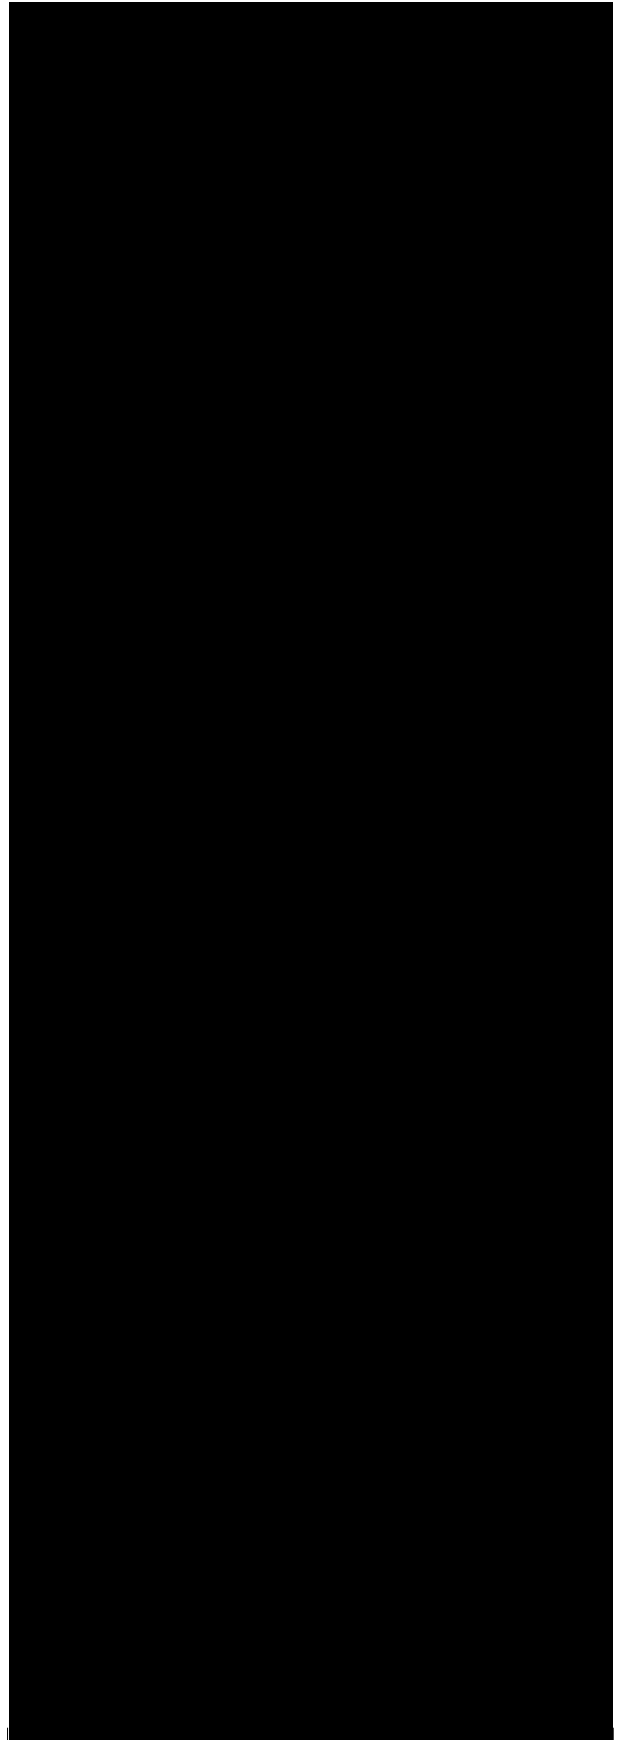

Earthy Hues Meltons have the same invitingly smooth finish, quality and experience invested in their weaving as Vivid Hues Meltons, however they are more classical in their colour palette, perfect for creating truly timeless pieces.

Understated and lighter in weight than Hainsworth Vivid Hues, Earthy Hues are a popular choice for striking lightweight garments and trimmings.

Quality	<b>Earthy Hues Melton</b>
