URBANE

Urbane is a super soft, lightweight fabric with a contemporary edge. Woven using 100% lambswool and with a beautiful lofty handle, the versatile Urbane collection is suitable for womenswear, menswear and childrenswear.

A lighter weight alternative to our popular Duffle collection, Urbane has the same distinct twill finish, allowing designers to sculpt chic outerwear garments with a soft handle and luxurious drape.

Available in 4 classic colourways, at a weight of 300gsm.
